Organize

**The 26<sup>th</sup> International Acoustic Conference  
held on May 30. to 31. 2023  
in Kočovce.**

**SCIENTIFIC AND TECHNICAL TOPICS**

- Noise and Vibration in Practice •
- Noise and Vibration Control •
- Protection of Human Being against Noise and Vibration •
- Structures under Seismic Loading •
  - Building Acoustics •
- Environmental Acoustics and Musical Acoustics •
  - Materials in Vibroacoustic •
- Measurements and Evaluation of Noise and Vibration •
  - Noise and Vibration of High Speed Rotors •

Other topics of acoustics, vibroacoustics, electroacoustics and acoustic materials are most welcomed as well.

**CONFERENCE VENUE AND ACCOMMODATION**

The conference is held in Congress Centre of STU Bratislava in Kočovce,. A village Kočovce is located approx. 7 km to the East from Nové Mesto nad Váhom close to a mountain range Považský Inovec, in a vicinity of a castle Beckov and spa town Piešťany. Before or after the conference, you can visit the spa Piešťany and to use very cheap accommodation in our facility. We will book it.
